RE: Requirements for Drug Testing Labs under IDAPA 16.07.20

To Providers:

The Division of Behavioral Health (DBH) will not be enforcing IDAPA 16.07.20.740.01.c which requires drug testing labs to adhere to IDAPA 16.02.06. IDAPA 16.02.06 provides governance for clinical laboratories which provide information to be used in medical diagnosis. SUD drug testing is done to monitor client behavior.

If a provider is seeking information relating to a medical diagnosis, a lab covered under 16.02.06 will be required. If you have questions regarding this issue, please contact Ryan Phillips at [phillipr@dhw.idaho.gov](mailto:phillipr@dhw.idaho.gov).
