*Our mission is to reduce suicide in Idaho through statewide advocacy  
collaboration and education in best practices. SPAN Idaho monitors  
the latest suicide research and effective prevention programs and  
seek to provide that information to those that need it. SPAN  
spearheads statewide suicide prevention initiatives and collaborates  
with national and state stakeholders to create positive change. SPAN  
Idaho works with communities across Idaho and develops and  
implements strategies to reduce suicide and suicidal behavior.*
