

The Landing is a life changing Christ-centered program that offers assistance to Jr. High and High School teens who are struggling. It is for any teen who feels stuck in life, trapped by their circumstances or addictions. It is a safe place to find hope, truth, joy and friendships.

Are you hurting from parents divorce, tough relationships, or poor self-esteem?

Do you have trouble setting limits for yourself?

Do you sacrifice your identity, desires or needs to make others feel good about themselves or to keep the peace? Do you live with someone who abuses you physically, sexually or emotionally?

Do you use food, porn, anger, drugs or alcohol to cope with life's issues?

Don't give up! There is Hope...

If you want freedom, healing and wholeness come join us at The Landing every Friday night.

Meeting 7:00pm-9:00pm Auditorium 2
