We are most grateful for all who so diligently work to make the Festival a success year after year. Last year this event raised money for scholarships, QRU and healthcare that benefitted the Mini Cassia area. The foundation appreciates your support for this special event. Even small donations make the Festival an exceptional occasion. Without your support, the community would not have this wonderful Holiday tradition, where friends and family gather to admire the beautiful trees and decorations, watch wonderful entertainment, and eat a treat or two from our dedicated volunteers!
