NATIONAL RX DRUG ABUSE SUMMIT

NationalRxDrugAbuseSummit.org

Date & Location

April 2-4, 2013, Orlando, Florida

Purpose

The 2013 National Rx Drug Abuse Summit will focus on ways we can **Make An Impact** in the fight against prescription drug abuse. The Summit is the only national collaboration of professionals from local, state and federal agencies, business, academia, clinicians, treatment providers, counselors, educators, state and national leaders, and advocates impacted by Rx drug abuse.

Program Features

- **Six Educational Tracks** – Third Party Payer, Clinical, Pharmacy, Treatment, Education and Advocacy, and Law Enforcement – tailored to provide stakeholders timely and relevant information for their particular fields.
- **Seven General Session Keynote Presentations** featuring national officials leading the fight in prescription drug abuse intervention, prevention, treatment and education.
- **Thirty Breakout Sessions** featuring presentations by national experts and leaders of successful initiatives.
- A panel discussion featuring members of the U.S. House of Representatives' **Congressional Caucus on Prescription Drug Abuse**.
- **Vision Sessions** providing an in-depth examination of innovative programs and strategies designed to educate, mitigate and resolve issues related to prescription drug abuse across the country.
- **Interactive Workshops** on successful Advocacy, Military and Prescription Drug Monitoring Programs.

Conference and program development produced by  **OPERATION UNITE**

Continuing Education

Credit hours offered for physicians, family practice physicians, physician assistants, nurse practitioners, health system executives, pharmacists, nurses, attorneys, certified counselors, social workers, human resource professionals, prevention specialists, and criminal justice professionals.
