MEDICAID INFORMATION RELEASE MA16-12

To: Federally Qualified Health Center, Rural Health Clinic, and Indian Health Clinic Providers

From: Matt Wimmer, Administrator
Division of Medicaid

Subject: Reimbursement for Long Acting Reversible Contraception (LARC) and Non-surgical Transcervical Permanent Female Contraceptive Devices

Effective for claims with dates of service on and after July 1, 2016, reimbursement for LARC and Non-surgical Transcervical Permanent Female Contraceptive Devices can be billed separately from your encounter rate. This reimbursement can only be completed when billed using a physician fee-for-service provider identifier.

These services will be reimbursed using 340B drug pricing program rates for the devices. For devices not purchased through the 340B program, the reimbursement rate will be the lower of your customary charge or the reimbursement rate on the Department's Medicaid fee schedule posted at <http://www.healthandwelfare.idaho.gov>.

If you have any questions regarding this change, please contact the Office of Reimbursement in the Idaho Division of Medicaid at (208) 287-1175.

Thank you for participating in the Idaho Medicaid program.
