

## Vendor Registration

You must be a registered vendor with the state of Idaho to receive incentive payments from the Idaho Medicaid Electronic Health Records (EHR) Incentive Program. If the eligible professional is receiving the payment directly, that eligible professional must be a vendor. If the eligible professional is reassigning the payment to the clinic, the clinic must be a vendor. If you are unsure if you are already a vendor, please call the EHR help desk at (208) 332-7989. (Also see the informational paper "Becoming a Vendor for Payment" under the *Educational & Training Materials* section of the Idaho Medicaid EHR web page for more information.)
