1. Source: U.S. Bureau of the Census, Internet release June 13, 2013.

2. Percent out-of-wedlock live births and percent low birthweight live births are based on records with known data for marital status and birthweight, respectively.

3. The rates by cause of death are expressed as the number of deaths per 100,000 population. NA: not applicable.

4. Divorces by county will not total because tribal court divorces are not included in county totals; see page 141 for number of divorces by tribal courts.

See pages vi-vii for definitions and formulas.

The reader is cautioned that many of the rates depicted in this publication are based on small numbers (< 20 events); caution must be exercised when attempting to draw conclusions from small data bases.

1. Source: U.S. Bureau of the Census, Internet release June 13, 2013.

2. Percent out-of-wedlock live births and percent low birthweight live births are based on records with known data for marital status and birthweight, respectively.

3. The rates by cause of death are expressed as the number of deaths per 100,000 population. NA: not applicable.

4. Divorces by county will not total because tribal court divorces are not included in county totals; see page 141 for number of divorces by tribal courts.

See pages vi-vii for definitions and formulas.

The reader is cautioned that many of the rates depicted in this publication are based on small numbers (< 20 events); caution must be exercised when attempting to draw conclusions from small data bases.
