Kat Reese, Administrator
Human Dynamics and Diagnostics, LLC
2805 Blaine Street, Suite 210-J
Caldwell, ID 83605

Dear Kat:

Thank you for submitting the Plan of Correction for Human Dynamics and Diagnostics dated 28 November 2016, in response to the recertification survey conducted on 27 October 2016. The Department has reviewed and accepted the Plan of Correction.

As a result, we have issued Human Dynamics and Diagnostics, LLC a full one year certificate(s) effective from 1 December 2016 through 1 December 2017 unless otherwise suspended or revoked.

Per IDAPA 16.03.21.125, this certificate is issued on the basis of substantial compliance and is contingent upon the correction of deficiencies.

Thank you for your patience and accommodating us through the survey process. If you have any questions, you can reach me at 208-364-1906.

Sincerely,

SANDI FRELLY
Medical Program Specialist
