

Module A, Section 2 Activity

Utilize what you have just read to help you fill in the blanks. Reflect on either your own language phrases or those you have heard to complete the last two Typical to People First conversions.

Typical Descriptions	People First Descriptions
John is my 40-year old, retarded client.	John hired me to be his Support Broker.
Mary is in a wheelchair.	
Elizabeth is Autistic.	
My client needs handicapped parking.	
My friend is a cripple.	
Jack is a Down's guy.	Jack has Down's Syndrome.
Julio is emotionally disturbed.	
Meet my deaf friend.	
Nathan is mentally ill, but his sister is normal.	

Others that you have experienced?

Remember, a person is a person, not a diagnosis.
