In the state of Idaho, Residential Habilitation agencies are subject to certification rules in IDAPA chapter 16.04.17. Additionally, if the agency also seeks reimbursement from Medicaid for their services, they must apply for a Medicaid Provider Agreement and comply with the standards of this agreement. The Medicaid provider agreement application process can be completed online at www.idmedicaid.com.

As part of the application process, the applicant will be required to demonstrate how they will be in compliance with the Medicaid Provider Agreement requirements and IDAPA-Medicaid Enhanced Plan rules (16.03.10) once they are an approved provider.

Each Residential Habilitation agency will have the following provider agreement sections and terms and IDAPA rules reviewed for ongoing compliance as part of the application process.

- **Medicaid Provider Agreement sections 1 through 12**
- **Medicaid Provider Agreement Additional Terms- Residential Habilitation Agency sections A-1 through A-7.5**
