

# **Outreach, Public Awareness, and Central Directory**

---

Child Find Coordinators are responsible, with assistance from the regional personnel, to educate primary referral sources and the general public about the Infant Toddler Program, Developmental Milestones monitoring and screening, referral procedures, eligibility, and the use of the 2-1-1 Idaho CareLine.

## **Child Find Coordinator Responsibilities**

Child Find Coordinators perform the following to educate the primary referral sources and provide Outreach, Public Awareness, and general information regarding Infant Toddler Program services available to children in Idaho:

- Distributes Idaho Infant Toddler brochures and Developmental Milestones checklist to primary referral sources and the general public as requested.
- Maintains accurate and current resource information by submitting routine updates to the 2-1-1 Idaho CareLine Coordinator.
  - Program Specialists assist with the routine updates, as appropriate.
  - Routine updates are submitted to the 2-1-1 CareLine Coordinator at least annually.
- Coordinates with the Program Specialist to share the recommendations of the Infant Toddler Coordinating Council (ITCC) with the Regional Early Childhood Committees (RECC).
