Old Business: <ul style="list-style-type: none"> • Check in on how the Family Fun Day Event went for everyone. • Continued discussion on Developmental Milestones/Social Emotional Posters • Budget - Spending Plan 	<p>The Family Fun Day went over well. The location was switched from the park to the Lewiston City Library due to the inclement weather. There was around 170 children & adults that came through and participated in the event. Everyone agreed that having the event on the first floor in the children's library section/play area was perfect as families could see the activities going on when they walked through the door. Also, we gave away all of the books that were purchased by RECC.</p> <p>Leah will have the Dev. Milestone/Social Emotional Posters made up soon. They need to be completed and paid for by May 30th (before the end of fiscal year). New books will also be ordered before May 30th to have available for future events.</p>
