

Certification Regarding Financial Responsibility

Each application must include a certification to the Secretary that the arrangements to establish financial responsibility for the provision of Part C services among appropriate public agencies under §303.511 and the Infant Toddler Program contracts with EIS providers regarding financial responsibility for the provision of Part C services both meet the requirements in subpart F of this part (§§303.500 through 303.521) and are current as of the date of submission of the certification.
