

# \*\*\*IDAHO WIC VENDOR BULLETIN\*\*\*

March 2019

## New food lists

Enclosed you will find the newest laminated Idaho WIC Food list. You may see both versions of the food list booklet through 2019.

The changes are listed below. These items should be available to customers now. Please replace the old version at your registers and add the new UPCs to your system.

## New flavors, more options

The following items are now included in the Idaho WIC Food List:

- Mountain High strawberry and Yoplait Original blueberry flavors
  - \* 32 oz containers only, no singles
- Langers 64 oz juice—all flavors of 100% juice
- White cheddar
- All sizes of regular, white eggs
- Fresh herbs sold as greens or in other packaged fruits/vegetables. Still no small packages of herbs or whole plants.

### Allowed

### Not Allowed

Please **do not share eWIC dates with customers**. Dates may change and it will take 3 months for each area to completely switch to eWIC cards. If customers have eWIC questions please refer them to their local WIC clinic.
