

IDAHO WIC VENDOR BULLETIN

March 27, 2020

WIC EBT BENEFITS WILL NOT BE CANCELLED DURING THE COVID-19 EMERGENCY

Stores should continue to process WIC purchases as usual.

If a WIC card isn't working:

- Try the transaction again, try a different register, or try manually entering the card number.
 - if an expiration date is required, use any future date
- Have the customer call their WIC clinic or the number on the back of the card.
 - the card might need to be replaced

Managers

- If your store is packaging more produce in-house, make sure it's mapped (linked) to an approved PLU.
- If you have not already done so, please consider limiting purchase quantities on high demand items, especially WIC approved infant formulas.
- Please consider posting a message to discourage hoarding. We've included one with this bulletin.

A huge THANK YOU to all store staff!

If you have any questions, please contact us at WICVendor@dhw.idaho.gov or 208-334-4933.
