

Jessica Long

Syringa General Hospital Clinic

JESSICA IS AN RN THAT, SINCE TAKING OVER AS PRIMARY VACCINE COORDINATOR, HAS BEEN DEDICATED TO OVERHAULING AND ENHANCING THE VFC PROGRAM ADMINISTRATION IN HER OFFICE. JESSICA WORKS WITH CLINIC STAFF TO PROVIDE EDUCATION ON VFC PROGRAM REQUIREMENTS AND IMMUNIZATION IN GENERAL, INCLUDING ADMINISTRATION, SCHEDULING, AND ACCOUNTABILITY. SHE HAS IMPLEMENTED NEW PROTOCOLS AND CHECK SYSTEMS TO ENSURE ALL VACCINES ARE ACCOUNTED FOR. SHE RESEARCHED AND RECONCILED YEARS OF PREVIOUS OUTSTANDING INVENTORY, ACCOUNTING FOR DOSES IN PATIENT RECORDS TO ENSURE ACCURATE RECORDS. JESSICA WORK HAS ALSO BEEN WIDESPREAD THROUGHOUT THE CLINIC; SHE HAS WORKED WITH BILLING STAFF TO ENSURE BILLING REQUIREMENTS ARE UNDERSTOOD AND MET, SHE WORKS ON A REGULAR BASIS WITH HOSPITAL LAB STAFF TO MAINTAIN A SAFE BACKUP LOCATION FOR VACCINE, AND SHE PARTNERS WITH THE HOSPITAL LABOR AND DELIVERY UNITY TO ENSURE THAT HEPATITIS B VACCINE IS AVAILABLE FOR THE BIRTH DOSE. JESSICA HAS SUCCESSFULLY ADVOCATED FOR BETTER IMMUNIZATION STORAGE AND TEMPERATURE MONITORING EQUIPMENT IN HER CLINIC TO ENSURE THAT VACCINES ARE SAFELY STORED AND READY TO BE ADMINISTERED TO HER COMMUNITY.

JESSICA HAS BEEN DILIGENT AND PROACTIVE IN LEARNING EVERYTHING SHE CAN ABOUT IMMUNIZATIONS AND THE VFC PROGRAM. SHE IS DEDICATED TO IMPLEMENTING A HIGH-QUALITY PROGRAM AND IS ALWAYS LOOKING FOR WAYS TO IMPROVE. JESSICA CONTINUES TO GO ABOVE AND BEYOND TO PROVIDE THE BEST IMMUNIZATION SERVICES POSSIBLE.
