# KEYNOTE SPEAKERS

Dr. Andrew Kroger, M.D., M.P.H., is a medical officer for the National Center for Immunization and Respiratory Diseases at the Centers for Disease Control and Prevention (CDC). As one of the traveling trainers in the Education, Information, and Partnership Branch, Dr. Kroger has given multiple presentations on topics ranging from immunization updates to pandemic influenza preparedness.

---

Elena Conis, Ph.D., M.S., M.J., is a writer and historian of medicine, health, and the environment. Prior to joining the faculty at the University of California, Berkeley, Dr. Conis was a history professor and the Mellon Fellow in Health and Humanities at Emory University, the Cain Fellow at the Chemical Heritage Foundation, and an award-winning health columnist for the Los Angeles Times. She holds a PhD in history from University of California, San Francisco (where she is an affiliated faculty member of the Department of Anthropology, History, and Social Medicine), masters degrees in journalism and public health from Berkeley, and a bachelors degree in biology from Columbia University.
