

# Title V Maternal & Child Health 2015-2020 Year State Action Plan

## Adolescent Health

*Idaho MCH leadership developed a state action plan with specific objectives and strategies to address priorities within each MCH domain area during the needs assessment process. The following presents the priority needs and objectives for the Adolescent Health domain area.*

**NPM** = National Performance Measure

**SPM** = State Performance Measure

### **Priority Need: Improve maternal and child health population access to medical homes.**

**NPM 10:** Adolescent Well-Visit - Percent of adolescents, ages 12 through 17, with a preventive medical visit in the past year.

*Objective:* By September 2020, increase the number of adolescents who receive information about the importance of regular well-visits.

### **Priority Need: Support services, programs, and activities that promote safe and health family functioning.**

**NPM 10:** Adolescent Well-Visit - Percent of adolescents, ages 12 through 17, with a preventive medical visit in the past year.

*Objective:* By September 2020, collaborate with the Idaho Suicide Prevention Program to enhance suicide prevention activities for adolescents.

*Objective:* By September 2020, develop a plan to launch an adolescent health program focusing on comprehensive issues impacting Idaho's youth.
