

Challis Area Health Center

Help Wanted: Community Health Paramedic

The Challis Area Health Center is looking for a Community Health Paramedic (CHP). In this role, the CHP will have the following responsibilities:

- Function as an active paramedic.
- Provide training to the staff.
- Serve as a liaison to the community for outreach and education, particularly in the area of substance use disorder and prevention.
- Be a facilitator for inter-professional collaboration among primary care providers, emergency services, and healthcare facilities.
- Be responsible for providing leadership, direction and administration of EMTs and Emergency Medical System activities to ensure the provision of quality healthcare to the community.

Must have current Idaho licensure as a Paramedic, plus three years' experience working as a paramedic in a prehospital setting. It is desired for applicants to have a background in healthcare administration, education and training, and/or are CHEMS certified.

This is a full-time position with a competitive benefits package. Contact Steve Rembelski at srembelski@cahcinc.com or call 208-879-4351 for more information or an application.
