Idaho is the:

____th largest US state
____th least populous US state
____th least densely populated
Idaho is the:

14th largest US state
12th least populous US state
7th least densely populated
What is the official state dance of Idaho?
What is the official state dance of Idaho?

Answer: the square dance
Who are the members of the LTC IDR panel?

A - Whoever happens to be in the office that day.
B - Six individuals who have agreed to participate.
C - State ombudsman, two representatives from the provider community, and two representatives from DHW.
D - Local Ombudsman, two administrators from the provider community and two surveyors.
Who are the members of the LTC IDR panel?

A - Whoever happens to be in the office that day.
B - Six individuals who have agreed to participate.
C - State ombudsman, two representatives from the provider community, and two representatives from DHW.
D - Local Ombudsman, two administrators from the provider community and two surveyors.
(T) or (F) Do ‘Exit’ signs with battery backup require the same testing as emergency lighting in the path of egress?
(T) or (F) Do ‘Exit’ signs with battery backup require the same testing as emergency lighting in the path of egress?

Answer: T
(T) of (F) Contract surveyors are being used to help conduct surveys in Idaho?
(T) of (F) Contract surveyors are being used to help conduct surveys in Idaho?

Answer: T
Who may create a reportable incident in the LTC portal?

A - Any staff member
B - Only the facility administrator
C - Anyone with a portal account created by the administrator
D - Only the Director of Nursing
Who may create a reportable incident in the LTC portal?

A - Any staff member
B - Only the facility administrator
C - Anyone with a portal account created by the administrator
D - Only the Director of Nursing
(T) Or (F) When a resident with dementia receives Abilify or Aricept, those medications are considered to be psychotropics according to requirements at F758?
(T) Or (F) When a resident with dementia receives Abilify or Aricept those medications are considered to be psychotropics according to requirements at F758?

Answer: T
From 2013 - 2019 what percentage of disputed tags resulted in no change after an IDR?

A – 75%
B – 46%
C – 35%
D – 57%
From 2013 - 2019 what percentage of disputed tags resulted in no change after an IDR?

A - 75%
B - 46%
C - 35%
D - 57%
As measured side-to-side, Alcohol Based Hand Rub Dispensers must be mounted at least ______ away from an electrical outlet, and ______ be mounted above ignition sources?

A - 1/2 inch; can
B - 1/2 inch; must not
C - 1 inch; must not
D - 1 inch; can
As measured side-to-side, Alcohol Based Hand Rub Dispensers must be mounted at least ______ away from an electrical outlet, and ______ be mounted above ignition sources?

A - 1/2 inch; can

C - 1 inch; must not
D - 1 inch; can
Why can’t Scope/Severity be shared during the exit conference?

A - CMS has specified content of exit conferences
B - Deb says so
C - Surveyors want to keep secrets.
D - Supervisors determine scope and severity after reading the report.
Why can’t Scope/Severity be shared during the exit conference?

A - CMS has specified content of exit conferences
B - Deb says so
C - Surveyors want to keep secrets.
D - Supervisors determine scope and severity after reading the report.
(T) or (F) Anyone having access to the LTC portal may create a new access account?
(T) or (F) Anyone having access to the portal may create a new access account?

Answer: F - only the administrator has this ability
What are three of the requirements that will implement with the Phase 3 update to the Long Term Care regulations on 11/28/19?
What are three of the requirements that will implement with the Phase 3 update to the Long Term Care regulations on 11/28/19?

- Trauma Informed Care
- Quality Assurance Process Improvement (QAPI)
- Training Requirements
- Infection Preventionist
- Compliance and Ethics Program
For an IDR, the facility has how much time to present their information on all the disputed citations?

A - 15 minutes  
B - 30 minutes  
C - 60 minutes  
D - There is no time limit
For an IDR, the facility has how much time to present their information on all the disputed citations?

A - 15 minutes
B - 30 minutes
C - 60 minutes
D - There is no time limit
In general, waivers under section 1135 of the Social Security Act typically end no later than the termination of the emergency period, or _____ days from the date the waiver or modification is first published unless the Secretary of HHS extends the waiver by notice for additional periods of up to _____ days, up to the end of the emergency period.

A - 7, 25  
B - 60, 60  
C - 60, 30  
D - 30, 60
In general, waivers under section 1135 of the Social Security Act typically end no later than the termination of the emergency period, or _____ days from the date the waiver or modification is first published unless the Secretary of HHS extends the waiver by notice for additional periods of up to _____ days, up to the end of the emergency period.

A - 7, 25

D - 30, 60
What is a FRI?

A - A Sweet Potato
B - Facility Requested Interview
C - French Fry
D - Facility Reported Incident
What is a FRI?

A - A Sweet Potato
B - Facility Requested Interview
C - French Fry
D - Facility Reported Incident
What is the maximum number of individuals who may be granted active access to the portal at any one time?

A - Four
B - Six
C - Ten
D - Two
What is the maximum number of individuals who may be granted active access to the portal at any one time?

A - Four
B - Six
C - Ten
D - Two
(T) or (F) It is a federal requirement for the resident to have a POST upon admission to the facility?
(T) or (F) It is a federal requirement for the resident to have a POST upon admission to the facility?

Answer: F
Facilities must conduct Emergency Preparedness exercises to test the emergency plan at least ________?

A - Semi-Annually
B - Annually
C - Quarterly
D - N/A

Fire Life Safety/Emergency Preparedness
Facilities must conduct Emergency Preparedness exercises to test the emergency plan at least _______?

A - Semi-Annually
B - Annually
C - Quarterly
D - N/A
There have been how many deficiency free recertification surveys in the last 12 months?

A - 0
B - 1
C - 3
D - 6
There have been how many deficiency free recertification surveys in the last 12 months?

A - 0
B - 1
C - 3
D - 6
After gaining access to the portal and selecting the appropriate tab, what should the user check (select) every time before starting to add something new?
After gaining access to the portal and selecting the appropriate tab, what should the user check (select) every time before starting to add something new?

Answer: The “New” icon, located on right side of screen
What is the top reason for citing Infection Control?

A - Hand hygiene
B - Wound care
C - Handling Laundry
D - Medication pass
What is the top reason for citing of Infection Control?

A - Hand hygiene
B - Wound care
C - Handling Laundry
D - Medication pass
Electrical receptacles not listed as hospital-grade at patient bed locations are tested at intervals not exceeding ________ months.

A: 6
B: 18
C: 24
D: 12
Electrical receptacles not listed as hospital-grade at patient bed locations are tested at intervals not exceeding __________ months.

A: 6  
B: 18  
C: 24  
D: 12
End of Game 1
How is access to the portal stopped/removed?

A - By writing to your legislative staff member
B - By the administrator deselecting the “Active” box in the user’s profile
C - Call Stan
D - Sorry, it cannot be stopped/removed
How is access to the portal stopped/removed?

A - By writing to your legislative staff member
B - By the administrator deselecting the “Active” box in the user’s profile
C - Call Stan
D - Sorry, it cannot be stopped/removed
(T) or (F) Survey staff have access to Payroll Based Journal?
(T) or (F) Survey staff have access to Payroll Based Journal?

(F) False
Which of these occurrences needs to be reported in the LTC portal? (Select all that apply.)
A - The resident is missing $10
B - A resident’s sock is missing
C - The resident has a long cylindrical bruise on their lower leg and they can reliably tell you it was from a bump against their wheelchair.
D - Resident fell from Hoyer lift when 1 staff person was providing assistance and the care plan required 2 staff.
Which of these occurrences needs to be reported to us? (Select all that apply)
A - The resident is missing $10
B - A resident’s sock is missing
C - The resident has a long cylindrical bruise on their lower leg and they can reliably tell you it was from a wheelchair.
D - Resident fell from Hoyer lift when 1 staff person was providing assistance and the care plan required 2 staff
(T) or (F) The Survey Agency must request permission from CMS to complete a third revisit?
(T) or (F) The Survey Agency must request permission from CMS to complete a third revisit?

Answer: T
Identify 3 of the seven individuals who are required to participate in care conferences?
Who is required to participate in IDT for care conferences?

A - The attending physician
B - A registered nurse with responsibility for the resident
C - A nurse aide with responsibility for the resident
D - A member of food and nutrition services staff
E - To the extent practicable, the participation of the resident and the resident's representative(s). An explanation must be included in a resident's medical record if the participation of the resident and their resident representative is determined not practicable for the development of the resident's care plan
F - Other appropriate staff or professionals in disciplines as determined by the resident's needs or as requested by the resident
(T) Or (F) If unable to access the LTC Providers Reporting Portal it is okay to just email or fax the information to the Bureau in order to meet the reporting requirements?
(T) Or (F) If unable to access the LTC Providers Reporting Portal it is okay to just email or fax the information to the Bureau in order to meet the reporting requirements?

Answer: F
(T) or (F) CMS has changed the guidance for Appendix Q?
(T) or (F) CMS has changed the guidance for Appendix Q?

Answer: T
(T) or (F) Just like in a courtroom, during an IDR both the State and the facility are in the same room at the same time?
(T) or (F) Just like in a courtroom, during an IDR both the State and the facility are in the same room at the same time?

Answer: F
All the following are considered Hazardous areas; except?
A - Central/bulk laundries larger than 100 ft\(^2\)
B - Rooms with soiled linen in volumes exceeding 64 gal
C - Rooms with collected trash in volumes exceeding 64 gal
D - Rooms smaller than 50 ft\(^2\) used for storage of combustible supplies and equipment
All the following are considered Hazardous areas; except?

A - Central/bulk laundries larger than 100 ft²
B - Rooms with soiled linen in volumes exceeding 64 gal
C - Rooms with collected trash in volumes exceeding 64 gal
D - Rooms smaller than 50 ft² used for storage of combustible supplies and equipment
The admission packet contains information on the facility’s bed-hold policy. When else must a facility provide written notice of the bed-hold policy to the resident?
The admission packet contains information on the facility’s bed-hold policy. When else must a facility provide written notice of the bed-hold policy to the resident?

Upon transfer to the hospital
(Y) or (N) Is an Advanced Directive and a POST the same thing?
(Y) or (N) Is an Advanced Directive and a POST the same thing?

No, an Advanced Directive provides instructions for future health care (a legal form) while an Idaho POST is a medical order to be followed by emergency personnel or other medical staff.
If a resident has a change in behavior and begins to wander, yell at staff and other residents, hit the wall with their walker or wheelchair, etc., what actions would be important to consider?

A - Assess the resident
B - Report change to physician
C - Medication assessment
D - Transfer the resident to another facility
E - All of the above
F - A, B, & C
If a resident has a change in behavior and begins to wander, yell at staff and other residents, hit the wall with their walker or wheelchair, etc., what actions would be important to consider?

A - Assess the resident
B - Report change to physician
C - Medication assessment
D - Transfer the resident to another facility

End of Championship Round
Thank-you
Will the subset late adopter list (235) be shared with the Quality Innovation Network-Quality Improvement Organizations (QIN-QIOs)?
Will the subset late adopter list (235) be shared with the Quality Innovation Network-Quality Improvement Organizations (QIN-QIOs)?

Yes, the list was shared with the National Coordinating Council who will disseminate to the QIN-QIOs, with the understanding that it is not to be shared beyond their organization.
If a resident is transferred to the hospital, or another facility, written notice to the resident must include 5 requirements. What information must be included in the notice? (Select all that apply)

A- The specific reason for the transfer or discharge
B- The effective date
C- The location
D- Right to appeal to the State and how obtain assistance to request and submit the appeal.
E- The name, address, and phone number of State Long-Term Care ombudsman
F- For residents with intellectual and developmental disabilities the address and phone number for DRI.
If a resident is transferred to the hospital, or another facility, you must notify the resident/representative in writing. What information must be included in the notice? (Select all that apply)

A- The specific reason for the transfer or discharge;
B- The effective date;
C- The location;
D- Right to appeal to the State;
E- The name, address (mail and email), and telephone number of the State entity which receives appeal hearing requests;
F- How to request an appeal hearing;
G- Obtaining assistance in completing and submitting the appeal hearing request; and
H- The name, address, and phone number of State Long-Term Care ombudsman
Will the subset late adopter list (235) be shared with the Quality Innovation Network-Quality Improvement Organizations (QIN-QIOs)?

Yes, the list was shared with the National Coordinating Council who will disseminate to the QIN-QIOs, with the understanding that it is not to be shared beyond their organization.
Does the facility have any culpability/responsibility for residents who need nursing home level of care but who want to smoke?
Does the facility have any culpability/responsibility for residents who need nursing home level of care but who want to smoke?

Yes, as required by the Requirements for Participation in Medicare/Medicaid the facility is responsible for identifying and taking steps to reduce any risk to the health and safety of its residents. This includes risks posed by smoking (for the resident who smokes, and those who may be affected by their smoking). This responsibility is not removed by allowing the resident to go off campus to smoke.
Is the list of the 235 late adopter facilities subject to enforcement, outlined in memorandum QSO 19-07-NH, public information?
Is the list of the 235 late adopter facilities subject to enforcement, outlined in memorandum QSO19-07-NH, public information?

No, a listing of the 235 late adopters is not public information. However, it can be obtained by submitting a FOIA request.
When reporting allegations of misappropriation, mistreatment, neglect and abuse a thorough investigation must contain which five elements?
When reporting allegations of misappropriation, mistreatment, neglect and abuse a thorough investigation must contain which five elements?

- A complete investigation not a summary - clear and legible description of exactly what occurred, including dates, times, and locations
- Dated, timed, and signed witness statements from staff, residents, and the person accused of the allegation
- The name and position of the person(s) alleged to have committed the offense
- Resident’s care plan in place at the time of the event
- Facility’s plan to take appropriate action as a result of the investigation findings
Who was the first woman from Idaho elected to the US Congress?
Who was the first woman from Idaho elected to the US Congress?

Answer: Gracie Bowers Pfrom
(T) or (F) Financial exploitation involving a resident and one of their family members must be reported to the portal?
Q5: (T) or (F) Financial exploitation involving a resident and one of their family members must be reported to the portal?

Answer: F
What is 1 of the 3 most common process struggles facility’s have when attempting to report an event in the portal?
Based on the ________ ________ the facility must ensure a resident receives care, consistent with professional standards of practice, to prevent pressure ulcer and does not develop pressure ulcers?
Based on the comprehensive assessment the facility must ensure a resident receives care, consistent with professional standards of practice, to prevent pressure ulcer and does not develop pressure ulcers?
What is 1 of the 3 most common process struggles facility’s have when attempting to report an event in the portal?

◊ Not clicking the Send icon
◊ Naming convention for the file - the file name exceeds 150 characters
◊ The short cut URL does not work - go to the LTC web page and select the large red button “Report Event”
Which of the following topics are a regulatory requirement for a nursing facility?

A - Corporate Integrity Agreement
B - Discussion with a resident regarding an unsafe/AMA discharge.
C - Number of hours a staff member may work in 24 hours
Which of the following topics are a regulatory requirement for a nursing facility?

1 - Corporate Integrity Agreement
2 - Discussion with a resident regarding an unsafe/AMA discharge.
3 - Number of hours a staff member may work in 24 hours
