# Idaho Duals August Stakeholder Update

---

AUGUST 20 2018

# Goals of Today's Presentation

---

- Provide an update on the implementation progress of the new program for duals, called "Idaho Medicaid Plus."
- Review information relevant to providers.
- Share information about upcoming opportunities for additional stakeholder engagement.

## Remember...

Idaho has two programs for duals:

1. Medicare Medicaid Coordinated Plan (MMCP) - existing
2. Idaho Medicaid Plus (IMPlus) – new

Duals are participants eligible for Medicare A and B, in addition to full Medicaid

# Duals' Programs - Refresher

---

- We are implementing the new program, Idaho Medicaid Plus, starting on October 1, 2018 in Twin Falls County.
- Idaho Medicaid Plus will be mandatory for dual eligible participants that have not enrolled in the Medicare Medicaid Coordinated Plan, and are not:
  - Tribal members
  - Pregnant women
  - Participants on the Adults with Developmental Disabilities Waiver
- Idaho Medicaid Plus will only manage the member's Medicaid benefits (no impact to Medicare coverage)

## Outreach Updates

---

- Provider Fair on June 28 was a success! 50+ providers attended
- Participant Block Party in Twin Falls on August 17
- Additional outreach is being scheduled!

# Implementation Update – Enrollment

---

- Enrollment letters were mailed to affected participants in Twin Falls County on July 1.
- Twin Falls County duals who have not selected a health plan by September 1 will be automatically assigned to a Health Plan.
- Welcome packets will be mailed in September.

# Implementation Update – Enrollment

---

- Around 950 letters were mailed out – but less than 100 members have selected a Health Plan.
- Many participants may be surprised to receive their welcome packets in September.
- Providers who have not enrolled with Blue Cross of Idaho and Molina Healthcare of Idaho may experience billing challenges after participant coverage begins on October 1.

# Implementation Update – Member ID Cards

---

- Remember – members will have different ID cards for the Medicare Medicaid Coordinated Plan versus Idaho Medicaid Plus!
  - For participants: this means you will receive a new card for your Medicaid coverage.
  - For providers: ensure your billing staff are aware they will begin to see new Medicaid cards
