This rule, regarding school-based Medicaid services, revises the definition of “personal assistant” to remove unnecessary job qualifications. Under the new language, the job qualifications for school-based providers will be consistent with the job qualifications for community-based providers offering similar services.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the August 1, 2018, Idaho Administrative Bulletin, Vol. 18-8, pages 83-88.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

This is a technical change to the rule, changing the requirements to be a PCS provider in school settings to match the requirements for service providers outside of the school setting. This will not change the current process or provider types. There is no anticipated fiscal impact to state general funds, or any other funds as a result of this rulemaking.

MEMORANDUM

TO: Rules Review Subcommittee of the Senate Health & Welfare Committee and the House Health & Welfare Committee

FROM: Principal Legislative Research Analyst - Elizabeth Bowen

DATE: August 08, 2018

SUBJECT: Department of Health and Welfare

IDAP 16.03.09 - Medicaid Basic Plan Benefits - Temporary and Proposed Rule (Docket No. 16-0309-1809)

IDAP 16.03.10 - Medicaid Enhanced Plan Benefits - Temporary and Proposed Rule (Docket No. 16-0310-1801)

16.03.09

Summary and Stated Reasons for the Rule

This temporary and proposed rule, regarding school-based Medicaid services, revises the definition of "personal assistant" to remove unnecessary job qualifications. The purpose of the rule is to make it easier for providers to offer services in a school-based setting. Under the new language, the job qualifications for school-based providers will be consistent with the job qualifications for community-based providers offering similar services. The Governor finds that the temporary rule is justified because it confers a benefit.

Negotiated Rulemaking / Fiscal Impact

Negotiated rulemaking was not conducted due to the technical nature of the rule change. There is no anticipated negative fiscal impact on the state general fund.

Statutory Authority

I.C. 56-202(b), I.C. 56-264.

16.03.10

Summary and Stated Reasons for the Rule

This temporary and proposed rule enacts a new chapter of rules regarding Idaho Medicaid Plus, a managed care program for persons who are eligible for both Medicaid and Medicare. The rule provides definitions, a process for implementation of Idaho Medicaid Plus, eligibility requirements, and a description of covered services and limitations. The purpose of the rule is to comply with HB 260 (2011), which directed the Department of Health and Welfare to develop managed care plans for high-cost Medicaid populations. Idaho Medicaid Plus will be one of two plans available to persons eligible for both Medicaid and Medicare.
**Negotiated Rulemaking / Fiscal Impact**

Negotiated rulemaking was conducted. The anticipated fiscal impact is $930,000. The Department intends to request federal financial participation, which, if granted, would mean that $93,000 would come from the state general fund, with the remaining $837,000 paid by the federal government.

**Statutory Authority**
