**MEDICAID INFORMATION RELEASE MA19-01**

**TO:** Occupational, Physical, and Speech and Language Therapy Providers  
**FROM:** Matt Wimmer, Administrator   
**SUBJECT:** Therapy Cap Limits

Effective for claims with dates of service on and after January 1, 2019, therapy cap limits are increasing to \$2,040 annually for occupational therapy services and physical therapy/speech-language pathology services combined. These caps are set annually by the Centers for Medicare and Medicaid Services.

Home health agencies and school-based providers fall under different regulations and are not subject to these limitations. Information regarding Home Health Agencies and School-Based services can be found at: [Home Health Agencies](#) and [School-Based Services](#)

If you have questions about these caps, please contact Alan Brewington with the Office of Reimbursement in the Idaho Division of Medicaid at (208) 364-1994.

Thank you for participating in the Idaho Medicaid Program.
